

# Plan for substitution the goods imported to the Republic of Karelia for the domestic goods and the products made in Russia-friendly countries

## 2021 results

Gross regional product (current basic values) – 360B RUR (forecast)

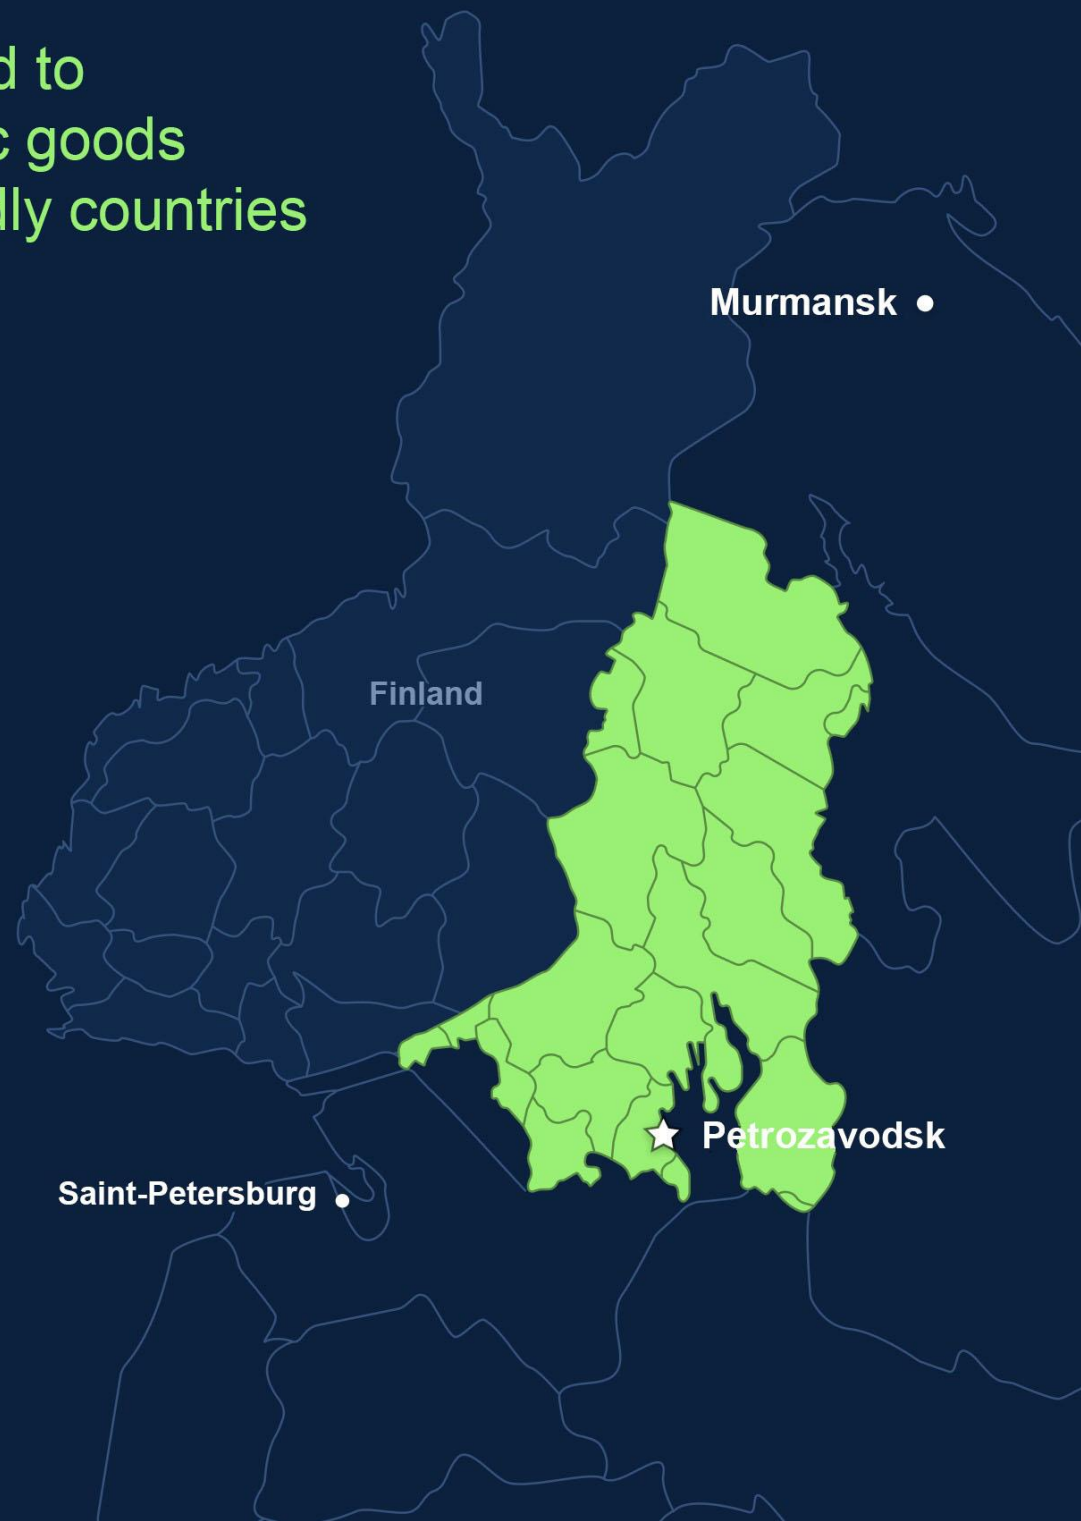

Companies' (all economic activities) sales volume – 733.8B RUR

Fixed investment – 70.6B RUR

Index of physical volume of fixed investments – 123% against the previous year

Export – 1,265.2M USD

Import – 419.9M USD

**Demand by the Enterprises of the Republic of Karelia for core imported goods**

**Contact:** Olga Vladimirovna Zakharova, Director of the Export Promotion Centre of the Republic of Karelia,  
8(8142) 44-50-00 ext. 136, zakharova@kr-rk.ru
